Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(d)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicant brings to the attention of the Examiner the documents listed on the attached PTO-1449 form. Applicant files this Information Disclosure Statement (IDS) after issuance of a Final action, and therefore encloses a fee of \$180.00 as specified under § 1.17(p), and a certification as specified under § 1.97(e)(1).

Applicant attaches a copy of the listed documents. Applicant respectfully requests that the Examiner consider the listed documents and indicate their consideration by making appropriate notation on the attached PTO-1449 form.

Applicant submits that the documents listed in this IDS were first cited in a European Search Report issued in a foreign counterpart application on April 2, 2004, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
